FINANCIAL AND INSURANCE POLICY

Patients with Insurance: Charges for your care or the care of a dependent are your responsibility. Our office will bill all insurance companies as a courtesy, as long as a copy of the current insurance card is provided by the patient at the time of service. It is your responsibility to provide us with up-to-date insurance information for our billing staff. Dr. Thomas is contracted only with Blue Cross, Aetna, United HealthCare, MODA, Cigna, Medicare Part B, & AK Medicaid. She is NOT a contracted provider for any other insurance companies. However, she does accept assignment from TRICARE & VA when referrals are received. We strongly recommend you contact your insurance company to verify your benefit coverage at our office. You may want to ask if they allow for exceptions of in-network coverage when there is not a contracted in-network general surgeon in your area. Your insurance coverage is **a contract between you and your insurance company** and is not a guarantee of payment. You should be aware of your obligation with them. Also, if you have not met your deductible, please inform the office staff.

-**AK Medicaid Recipients**: Medicaid insurance card is required for each visit. Your **co-payment of $3.00 is expected at time of service** from specific groups of Medicaid recipients. Please check with the office staff at **each** visit.

-**Billing procedures***:*

1) If you are having surgery, we will bill your insurance company. **You should expect to receive at least two (2) different bills**: one from Dr. Michelle Thomas (your physician) and one from the facility where your procedure took place. If an anesthesiologist or pathologist was needed, you will receive a bill from each of them as well.
2) Once we have received an explanation of benefits from your insurance company, you will be sent a statement from this office. Any remaining balance is the patient's responsibility.
3) **At that time, full payment will be due upon receipt**. However, if you find it necessary, we can work out a reasonable and regular payment schedule we both find acceptable. You will be expected to notify this office to make arrangements.

Patients without Insurance: Patients being seen for a medical reason that does not have insurance will be expected to pay for their first consultation in full at the time of service. If surgery is necessary, each case will be addressed individually at that time to work out a payment schedule.

I have read and understand the above information. This policy is acceptable to me and I take responsibility for my health care and my financial obligations.

I hereby authorize Michelle P. Thomas, M.D., to furnish information to my insurance carrier(s) concerning my treatments and/or illness. I hereby assign to Dr. Thomas all payments for medical services rendered to me and/or my dependent(s).

I understand that I am responsible for all medical charges, regardless of my insurance coverage.
